K-2nd Grade Building Procedure:

From Kingman Road, turn onto Town Center Boulevard. At the third entrance, turn right into the Sports Complex. Follow the curved road that is along side of the sports complex. At the split for all three buildings, form two lanes. The left lane will be for the K-2 traffic pattern. At 'D Gate', proceed left and follow the signage towards the K-2 building. Please adhere to the directions of dismissal personnel as they assist your child with getting in/out of the vehicle. At no time should your vehicle be left unattended in the drive through lane.

3rd-7th Grade Building Procedure:

From Kingman Road, turn onto Town Center Boulevard. At the third entrance, turn right into the Sports Complex. At the split for all three buildings, form two lanes. The right lane will be for the 3-7th grade building traffic pattern. At 'D Gate', proceed to curve to the right and follow the signage towards the 3-7 building. Please wait at the curve until 2:55 to allow for the dismissal traffic from the high school building. At 2:55, proceed to form two lanes of traffic before crossing Kingman Road. Please adhere to the directions of school personnel as they assist your child with getting in/out of the vehicle. At no time should your vehicle be left unattended in the drive through lane.

8th - 10th Grade Building Procedure:

From Kingman Road, turn onto Town Center Boulevard. At the third entrance, turn right into the Sports Complex. At the split for all three buildings, turn right. Turn at your second left, passed the parking lot and follow the high school signage. The traffic pattern will proceed through the school parking lot and exit onto Palm Drive. Please adhere to the directions of school personnel as they direct traffic. At no time should your vehicle be left unattended in the drive through lane.
